

Designed for safety. Built for fun.

Brigadier General

SKU: BG32

Brigadier General - Made in America

The Brigadier General is a dugout helmet and bat combination storage unit measuring 80" tall x 85" wide x 22-1/2" deep. Each Brigadier General comes fully assembled and painted in your team color(s). Add your team logo on the front & sides of the lower base at no additional charge. The entire unit is made exclusively with MDO signboard, the longest lasting exterior wood product available. It will stand up to snow, rain, humidity and ocean air climates. This MLB quality unit is made to be left up ALL year. Unit weighs 330 lbs.

The Brigadier General features 32, 11"H x 9-3/4"W I.D. helmet boxes, 8 large bat compartments and 1 large coaches storage cubby. Each bat compartment easily holds 9 bats. The coaches storage cubby measuring 6" by 83-1/2" is ideal for clipboards, game balls, first aid kits, stopwatches or any other items you may need on gameday. As an option, the Brigadier General can be built with 24 helmet cubbies along with 2 large catchers gear compartments each measuring 41-1/4" x 11" and the coaches storage cubby underneath. we can do custom sizes on any products.
