

Designed for safety. Built for fun.

King Cobra Bat Box

King Cobra Bat Box - 40 Bats

Designed for locker room storage of baseball or softball bats (or Lacrosse Sticks) the King Cobra also performs as an excellent dugout bat holder during games. This free-standing unit stores bats vertically & easily moves around the locker room or dugout. Made with MDO (Medium Density Overlay), the best exterior wood product. Top piece is 3mm PALIGHT (plastic PVC material) for a product that will last for many seasons . Measuring 44”L x 20”D x 19”H and weighing 70 lbs. it’s a great choice in Collegiate training facilities or privately owned hitting facilities around the country. Comes in color of your choice with Team logos on 4 sides at no additional charge. Tops are available in a secondary color at no extra charge.
